

Other Initiatives under 2007-2013

- **JASPERS: Joint Assistance in Supporting Projects in European Regions**

In partnership between EC -DG Regio, EIB and EBRD.

Technical assistance supporting the implementation of complex projects eligible under the SF.

- **JEREMIE: Joint European Resources for Micro to Medium Enterprises**

In partnership between EC -DG Regio and EIB.

It promotes coherent actions to promote access to finance for SMEs: such as, technical assistance, grants, loans, equity, venture capital.

- **JESSICA: Joint European Support for Sustainable Investment in City Areas**

It is an “under construction” joint initiative by the European Commission and EIB.

It will promote sustainable investment and support for urban renovation funds.

For more detailed information on JASPERS & JEREMIE as well as on the further “initiative for urban development and social housing” see
